## Attendance Dues Dayboy 2024

### Attendance Dues

All Pupils \$357.50 per term (excl. GST)

### Annual Voluntary Contribution

All Pupils \$170.00 per month

### Parents and Friends Association

All Pupils \$40.00 per year

Fees are due and payable within one month of billing, at the beginning of each term.

Parents are required to give a term's notice in writing of the withdrawal of a pupil from the College, or to pay a term's attendance dues in lieu thereof. This also applies for any special classes for which extra fees are charged.

### Entrance Fee

No entrance fee is payable.

### Lunches

Day boys may sign up at the beginning of each term to have lunch in the Boarding House. Boys must sign up for a term at a time and the cost is \$37.50 (excluding GST) per week.

### Extras

The College offers tuition in music, woodwork, technical drawing, art, cooking and other curricular activities and clubs. In most instances pupils will be charged for the cost of materials. A charge for sports to cover equipment, affiliation fees and travel is charged to each pupil on a user pays basis.

### Attendance Dues

The Attendance dues fee is charged each term and in terms of the Integration Agreement completed in 1989, is used to cover such items as mortgage repayments and interest, rates, insurance and school building development required to maintain the College at state code funding levels.

### Annual Voluntary Contribution Donation

The Annual Voluntary Contribution is donated each month to assist with meeting the costs of items not covered by our other funding sources. This includes the enhancement and development of the College facilities and curriculum, the provision of Chaplaincy Services, resourcing arts and cultural opportunities, and sports co-ordination and management.

### Parents and Friends Association Donation

This optional donation is collected and forwarded to the Parents and Friends Association once a year. This is augmented by proceeds from the annual fete, and in turn returned to the College for current projects.
